## **Karma Ling**

### **Buddhist Temple in the heart of Europe**

**Sunday, April 13th 2014 from 9:00am to 6:00pm**

Located in the heart of the Savoyard forest at 800 m altitude, the Karma Ling institute is one of the largest Buddhist centers in Europe. It is located in a Chartreuse monastery in the heart of a thick forest, in a wild and deep valley near Allevard. The site is beautiful and the combination of this old building near the colorful and Tibetan style is really unusual.

#### **Program**

We offer you an unique approach to this place. First we will visit places open to the public. This will be followed by a vegetarian meal in the refectory (large vaulted room). Then, for those who are interested, an activity out of the ordinary: a lama (monk who has received at least 20 years of education) will give us an introduction to meditation. After, we will be walking around according to the time we have left.

This is an extraordinary day! We hope you enjoy it!
