

Sweet Home Grenoble

Monteynard Lake

Thursday, May 21st 2015 from 9:00am to 4:00pm

Less than one hour's drive from Grenoble, at the entrance of the Trièves, come and take a nature bath! Immerse yourself into another world, dive into the adventure between sky and water. At 500 m (547 yards) of altitude, a surface area of 657 ha (1624 acres), Monteynard lake stretches its turquoise waters on 20 km (12.4 miles).

We will go along the lake shore, will cross the Ebron Himalayan bridge, which overlooks the water at a height of 50m (not recommended for people suffering vertigo!) and return via the same route.

Plan to have good walking shoes, fresh water, a picnic and a bathing suit for those who will want to test the temperature of the water ...
