

Sweet Home Grenoble

A day at museums

Hebert Museum

Berges family home - Museum of hydroelectric power

Friday, February 21st 2014 from 9:30am to 4:30pm

Morning, visit of Hébert Museum

Ernest Hébert (1817-1908), a painter influenced by romanticism, orientalism and realism is famous for his portraits. The museum is his vacation home and the China collections, furnitures and painting give a faithful rendition of the atmosphere he knew. The very nice garden might hold us some surprises...

Afternoon, visit of the Berges family home

The museum of hydroelectric power is an exceptional cultural heritage site which transport us in the time of the industrial adventure. It is the history of industrialisation through the caractere of engineer Aristide Berges, the founder of "White Coal", a great innovator.
