Zen Japanese garden

Friday, October 13th 2017 from 9:30am to 5:00pm

Erik BORJA is today a reference in the creation of gardens of Japanese inspiration. However, its Drome garden is the result of a creative approach associating its Mediterranean origins and its interpretation of the concept of the Zen garden.

Begun in 1973, its garden is for those who, like him, are seeking for harmony and serenity, a privileged space, in tribute to the Mother Nature, origin of all things particularly magnificent at the time of the red maples leaves of autumn .
